

5th APPA 12th PST

2017

APPA

Bangsaen, Thailand

July 11-14, 2017

THE 5th ASIA PACIFIC PROTEIN ASSOCIATION (APPA) CONFERENCE

Held jointly with

THE 12th INTERNATIONAL SYMPOSIUM OF THE PROTEIN SOCIETY OF THAILAND (PST)

Celebrating the Auspicious Occasion of the 60th Birthday Anniversary of H.R.H. Princess Chulabhorn

JULY 11-14, 2017

The Tide Resort
Bangsaen, Thailand

Thomas Steitz
Nobel Laureate in Chemistry, 2009
Yale University

**PLENARY
SPEAKERS**

Madan Babu
Laboratory of Molecular
Biology, Cambridge, UK
EMBO KEYNOTE LECTURE

Akhilesh Pandey
Johns Hopkins University /
Indian Institute of
Bioinformatics

So Iwata
Kyoto University / RIKEN,
(Imperial College London)

Carol Post
Purdue University

Ruiming Xu
Institute of Biophysics (CAS)

Jisnuson Svasti
Chulabhorn Research Institute /
Mahidol University

RESEARCH TOPICS

- Protein Engineering and Applied Protein Research
- Proteomics, Biomarkers and Drug Discovery
- Protein Folding and Dynamics
- Proteomics Technology
- Proteins in Plants and Microorganisms
- Proteins in Disease
- Molecular Enzymology and Catalysis
- Proteins in Signaling
- Bioinformatics, Computational Research and Systems Biology
- Protein Interaction and Macromolecular Complexes

IMPORTANT DATES

- Travel Grant Deadline: March 31, 2017
- Early Registration Deadline: April 19, 2017
- Abstract Submission Deadline: April 19, 2017
- Regular Registration Deadline: June 15, 2017
