

# The 15<sup>th</sup> International Symposium of the Protein Society of Thailand

Convention Center, Chulabhorn Research Institute  
Bangkok, Thailand. November 4-6, 2020

**A limited number of exhibition booths (80 x 180 cm table)** will be available for purchase at the symposium venue. This will provide a great opportunity for the companies to display their reagents, products and/or equipment to the participants attending the symposium, and for the participants to discuss with the manufacturers and/or authorized dealers with respect to their needs of the scientific equipment and/or reagents.

## There are different sponsorship packages for exhibitors:
